**Note on Fundraising:**

Tuition and fees provide only a portion of the total cost required to educate a student at Santa Fe Christian Schools. As is the case with almost all private schools and colleges, gifts and contributions must make up this revenue shortfall to the school. Santa Fe Christian conducts an Annual Fund Campaign to achieve its revenue requirements as well as student and parent fundraising activities. In addition to monetary gifts, many parents contribute time and resources to perform tasks that would otherwise result in increased expenses to Santa Fe Christian Schools.
